Hello Papa Helmut,

May I take this opportunity with great pleasure to express our heartily appreciations though with no tangible reward. With no distinct or specific words to express our joy, we are so thankful especially for the ksh: 100,000/= you gave us to assist us pay the teachers. We would not have managed paying them in time without your handy help.

May I also express on my behalf and on behalf of the Oasis Academy community, many gratitude's for the extra water tank. It was expertly done. Enclosed here –in please find photos of the installed tank.

Papa Helmut, please bring this request to the other members of the group - “ We help in Africa “ that we have about sixty [60] orphaned children who need support to enable them get education and live a happy life. We are all aware that a school without children is not a school. The school needs funds to run hence the need to have these children get sponsorship. Many cannot afford the ksh: 15,000/= per year as subsidies. (Incl. Essen und Schulkleidung ca. €200,00 pro Jahr, Anmerkung WhiA))

Mine is to wish you well as you strive to make Oasis in Mamba village a better place than ever before, all the best! Lastly we wish you a MERRY CHRISTMAS and a HAPPY NEW YEAR.

Best regards;
Stephen Chaka.
Executive director – Oasis Academy.
